

The Importance of Care Workers: Carers Week

Are you caring for a family member or friend? Or maybe you are a lone carer or personal assistant needing to complete courses to keep your local authority registration up to date.

According to the most recent Census, there are around **5.7 million** unpaid carers in the UK

Unpaid carers in England & Wales contribute **£445 million** to the economy every day

4.9 million unpaid carers worry about the impact of caring on their physical and mental health

20% of carers were concerned about not having the skills or experience to provide care

Caring without the right information and support can be hard. Knowing more about a certain subject or condition could help and make your role as carer easier.

Here's how Redcrier can offer support to carers:

As a leading independent training provider and from our experience with **e-Box eLearning Courses** where we have been supplying care providers with care specific courses for over a decade, our flexible, convenient courses can help you to develop your skills and make your role as carer easier.

View our full list of courses, which are all tailored to deliver specific care-related learning outcomes:
